

2020 - 2021 Ice Lolly Review Campaign Contest

After reading and rereading the wonderful submissions to the magazine's contest. Overall we received submissions in the three digits from 12 different countries and 16 different states and the winners chose to donate \$150 to Doctors Without Borders, The Red Cross Foundation, and The Bail Project. Thank you for participating! It was truly an honor to read each and every piece. We were thoroughly impressed at the amount of quality work and the passion and voice of the youth. We hope that you continue to write and put your work out there. - Jessica Wang (EIC of Ice Lolly Review)
